Nutrition information is compiled based on product testing, data provided by an independent testing facility, and data provided by suppliers. Variations may occur due to differences in suppliers, ingredient substitutions, recipe revisions, possible preparation deviations at the restaurant level, raw ingredient origin of the region or country, and season of the year. Temporary products and Limited Time offers are not included. Each of our menu items is prepared by hand, individually, therefore, serving size variations may occur.

Normal kitchen operations involve shared cooking and preparation areas, and cross-contact with other foods may occur during preparation. Therefore, BIBIBOP and its employees do not assume responsibility for a particular allergy or sensitivity to any food provided in our restaurants. Our restaurants contain ingredients that contain 3 of the 8 major FDA allergens (soy, egg, dairy). Our restaurants are not allergen free facilities.
